Lake Conroe Village HOA Neighborhood News

The Lake Conroe Village HOA newsletter is intended to keep the residents informed about developments in the community. Future news letters will be posted on the new community website www.lakeconroevillagehoa.com This will save the subdivision time and money, but still allow the board to keep interested homeowners informed.

Our neighborhood continues to experience rapid growth, and we are very excited about the future outlook of our community!

Community Reminders

ACC Applications

All move ins/new construction/minor or major improvements **MUST** have an ACC application submitted to the ACC committee.

Please email amason@imcmanagement to request an application. **Allow 30 days for the approval/denial to be issued.**

Non-Compliance may result in legal action for removal and legal fees.

HOA Dues

2019 assessments are now past due - Please remember you can set up a monthly payment plan.

*If you owe more than \$384, please contact the association to be considered for a payment plan to pay off your balance. The association is actively sending files to the association attorney to collect on delinquent dues. **All payment plans must be submitted and approved by the Board of Directors.**

General House & Yard Upkeep

Please maintain your yard in an attractive manner by mowing, edging and keeping your yard free of debris/trash. No lots should be used as storage. **All homes with moldy or dirty siding are in violation of the deed restrictions and must be cleaned properly (either pressure washed or repainted). Prior to repainting, you must submit any paint colors to the ACC committee.** No burning is allowed in the subdivision at any time. The association is seeking legal action against properties that are not being maintained in an attractive manner. Property owners will be responsible for any legal fees incurred by the HOA in the enforcement of the deed restrictions.
